

PURE® Hard Surface Sanitizer

Fastest, safest and longest lasting way to kill viruses and bacteria on hard surfaces

Ideal sanitizer / disinfectant solution for keeping your space safe from bacteria and viruses

Electrostatic Spray – 7 oz. for 6,000 Sq. Feet

PURE® Hard Surface Sanitizer misting application uses a 15 micron mist that doesn't leave a residue when properly applied

Hold the misting nozzle 18 to 24 inches from surface being treated

Swipe the misting nozzle at an approximate speed of 2 feet per second with a minimum of 2 passes over the surface

Allow the PURE mist to sit on surfaces for a minimum of 2 minutes, spray and leave

No rinsing required, even on food contact surfaces

No PPE required when using PURE Hard Surface (although recommended)
